Thanks! I got it, and I am incorporating my thoughts into it. I will send off to her fairly soon.

Chris H.

Hi Lou,

Did you have a chance to draft something for Harry Alston? I am meeting with Mary Grace tomorrow and would like to give her something before our meeting. She received my specific comments prior to their Search Committee meeting. She will get the same thing on behalf of FSAAD if I don't get your writing to add to it.

Chris
